Dear Friends:

The Department for the Aging is pleased to congratulate Riverstone Senior Life Services on its 25th Annual Fall Fundraiser, "Open Hearts-Open Minds."

The Agency is delighted to join you in honoring Dr. Karen Bell, Taub Institute for Research on Alzheimer's, Jed Levine, NYC Chapter Alzheimer's Association, and in remembering Emilia "Toni" Cardona.

I would like to thank Executive Director Rebecca Carel and her staff for their continued dedication to older New Yorkers. On the occasion of this special commemorative evening, the Department extends its best wishes for the ongoing success of Riverstone's mission and programs.

Sincerely,

A handwritten signature in black ink, appearing to read "Lilliam Barrios-Paoli". The signature is stylized with a large, sweeping "L" and a prominent "P".
